# NOTE FROM THE PRESIDENT—Debbie Lanktree

Greetings fellow Trout Lakers: I'm writing this on Thanksgiving weekend. According to the calendar, Fall has arrived and yet the weather has been better for the last month than it was for much of the summer. It's always sad to say goodbye to camp for another year but Richard and I will be doing so soon.

In 2017 your association tried a few new things:

\* The first Trout Lake calendar was issued, and we sold close to 80, earning a net revenue of approximately \$530. Profits will be used to support the work of the association. Thank you to all those who purchased one or more calendars, and to all those who submitted pictures. I hope we will get even more pictures submitted for our next issue. We learned a few things in this first year that I'd like to pass on:

o Horizontal pictures (landscape orientation) vs. vertical (portrait orientation) work much better in the calendar

o The higher the resolution/pixel count the better. Unfortunately some of our beautiful entries became blurry and not suitable for reproductions once they were enlarged to calendar size.

o Understandably, we received many more entries for May through August than we did for the other months. For some of the winter months we only had one entry. Please, to anyone who spends time at the lake in the fall, winter and early spring, remember to take a few pictures and submit your favourite ones to me at my email address below.

**Deadline** for submitting pictures for the 2019 calendar is **April 30th, 2018** but please send some in over the winter so our judges can get started narrowing down the choices. Once again, calendars will be available for purchase at the Annual Picnic on the August long weekend.

\* In 2017 we began accepting on line payments for renewal of membership. To my surprise, not many members used this option though I believe it will become more popular in future years as people become aware of it and younger generations start making the payments.

\* In late August we held a dinner/dance with a live band, in lieu of the fish fry. A good time was had by all who attended and many thanks to Kacper and Wanda for allowing us to hold it at Happy Landing. The turnout wasn't as high as we had hoped. The Board will be assessing whether we want to continue holding a social event as it entails a lot of work by volunteers and the interest from our members does not seem that high. If you have an opinion or suggestion on whether you see social events as an important part of the association mandate please feel free to send me an email. I'd be happy to hear from you.

The Picnic was a big success this year with approximately 100 children participating. Thank you once again to Darryl and Natalie Taylor, Chris Cull and the other volunteers who helped to make it a great event as well as Happy Landing Lodge who let us hold it on their grounds. We finally tore the tug-of-war rope in half after a great many years so we'll be looking to replace it before next August.

Reports from our various Directors with portfolio can be found later in this bulletin. I'd like to thank all our volunteers for the work they've done over the year and I'd like to thank all our members for their continuing support. Hope everyone has a great winter. See you in the Spring!

## Picnic Donations & WINNERS 2017

| Item                                    | Donated by                               | Winner                              |
|---|--|-------------------------------------|
| T-shirt & hat                           | Taylor Sheet Metal                       | Ronald & Theresa Payette            |
| T-shirt & hat                           | Taylor Sheet Metal                       | Peter Lavigueuer & Shannon Sullivan |
| Queen sized inflatable bed              | New Sudbury Storage                      | Catherin Plexman                    |
| Portable Barbecue                       | Harris Movers                            | Richard & Bobbi Saul                |
| Round of golf                           | Voyageur Golf                            | Paul & Angele Chartrand             |
| 3 days at Air B&B Costa Rica            | Gilles Prevost                           | Harry & Linda Quigley               |
| Electric Wine Bottle Opener             | Michelle Zettler & Ron Sampson           | Leslie Conley                       |
| Winter Coat                             | Lever Personnel                          | Scott & Cassandra Sabourin          |
| T-shirt & hat                           | Bob Thomas Bulldozing                    | Pam Collins                         |

## ENVIRONMENT & FORESTRY REPORT—

Bob Nikolic, Director

Greetings to all Trout Lake Campers! The Summer finally arrived at Trout Lake at the beginning of September and it's still here! It's October 9 and the temperature is hovering around 20C but it won't last much longer - the forecast calls for two-three warm days before Fall temperatures set in. The Summer in the summer never happened, an inordinate amount of rain fell this year and the water never reached it's normal low level. We seem to get very unpredictable weather changes and I noticed that local radio station stopped giving three day forecast replaced by "today and tomorrow".

September turned out to be a very busy month on both environmental and forestry fronts. Guy Springay and I did the second secchi disc readings and will do third and final readings by the end of October. We have noticed that both the first and second readings showed lower values than last year's, which are most likely due to very high inputs of rain water bringing more silt to the lake. In that regard we would not be surprised that the third reading is also lower than normal.

A member from Edith Lake expressed concern with aerial spraying close to Edith Lake road but a considerable distance from the lake. Nevertheless, Doug Maki, VFM Silviculturist offered to have a meeting to make a thorough presentation on the issue. On September 4 two campers from Edith Lake and Guy Springay and I went to the VFM office in Sudbury where we were given fairly detailed information about aerial spraying. We followed this with a field visit in the Killarney highway area. Many questions were answered and the impression was that all reasonable precautions were taken during the spraying. We will need better warning signage in the sprayed area and more detailed tour of planned areas in order to make sure that as little harm as possible is done to environment. I have provided a detailed written report about this meeting to the Board and will email it to the campers that want to read it. In mid-September we received via VFM a request by Lahaie Lumber to allow an earlier than prescribed start on the access road on north side of Shaw road in vicinity of Pine Ridge road. According to the 2010-2020 Harvest Plan, no forestry related activity may take place between the May long weekend and the October long weekend, within one kilometer of the lake. We requested this clause in order to prevent operation noise and unsafe travel on lake access roads. Our approval would allow some workers to be meaningfully employed. Because the entrance was close to the Shaw road curve we were not fully satisfied with the road location but after requesting warning signage we approved the request. I also inspected other planned access roads in this area and will request some minor changes to entrances due to safety concerns. During this time I met with two concerned members from Pine Ridge Road and one afternoon had a field visit with them. They were satisfied with specific information about planned harvest and also general information about our relationship with VFM and the local logging companies.

At its last meeting this year the Board approved new members of the Environment and Forestry Committees. I am pleased that new members have replaced the members that could no longer serve. You will find this info on the Committee list in this Bulletin.

Wishing you all the best for end of the year Holidays and a safe winter.

## FISHERY REPORT—Brian Smith

Hello all: I would like to offer a report on fisheries for the past year. Our rearing pond had its issues over this spring harvest. The MNRF is in the process of providing our fish habitat with larger and healthier Pickerel. Our volunteers will be commencing a pond clean up that will require rental equipment and many hours of labour. Our fisheries remain strong and challenging at the same time, although we expect 2018 to be our best to come.

## MEMBERSHIP REPORT—Richard Lanktree

Hello everyone. Once again the support of membership to the Trout Lake Association has been very strong in 2017.

At the time of writing we have collected 187 members. My target is still 200 but it's not too late. If you haven't paid your 2017 membership yet I urge you to do so as soon as possible. We recently sent a reminder letter to 14 previous members who had not signed up for 2107. If you can't find your form and would like another one please contact me. I will be making one last effort to reach everyone who hasn't paid before the year is out. Your support is much appreciated!

To all members, I trust you will renew your membership in 2018. We know there has been some turnover of properties on the lake so if you have a new neighbour please mention the association to them and let me know if they are interested in becoming a member.

Also, a reminder to all members to please notify me if your address changes so we can ensure that the Bulletin continues to reach you.

Hope you have a great winter.

# SAFETY REPORT—Darryl Taylor

Happy Fall fellow campers!

I hope everyone is enjoying this great weather. Thank you to the volunteers for your help with the markers and lights. Your continued efforts are greatly appreciated. The markers are scheduled to be taken out on or after Thanksgiving weekend. If you are boating later in the season please be careful.

## DODD LAKE

The safety committee visited Dodd Lake this summer and found a lot of garbage and many boats that are not being used. Some of the boats are submerged in the lake and others have rotted. If you have a boat at Dodd Lake please make sure it is clearly labeled with your name and phone number. We are planning to do a cleanup next summer and would like to remove the damaged and abandoned boats.

\*\*If you are interested in helping with this cleanup or have any concerns please contact me.

Have a safe winter. Camp safe and ride safe.

# LIGHTNING STRIKES!

Submitted by Guy Springgay

The thunderstorm of April 27 this year brought an unexpected surprise to one of our campers. Next door neighbor's on Cherriman Road heard a load bang and lightning flash simultaneously, and were waiting silently for a tree to come crashing down on them. Luckily nothing happened and the storm cleared in a few hours and off to bed they went.

The next morning they got up to survey for damage. Seeing nothing more than some downed branches, they decided to take a look at a few of their neighbor's as they knew they were out of town. More branches down everywhere but all roofs and buildings intact.

They were starting to head back when out of the corner of their eye they spotted a fire about the size of a can of soup burning on the ground. They went to the fire and doused it out with lake water. The fire had been burning on plastic ABS pipe that was used to protect the satellite dish wires going into the house. About 30 feet of the pipe had burned throughout the night and luckily never ignited the pine needles on the ground or the trees near it.

When the burnt pipe was followed up to the point of origin they observed that a large area of the ground had been burned next to a tall Red Pine (see pictures).

Worried that a possible underground fire existed, the neighbors called the Noelville Fire Department who came out to investigate. The firemen were amazed at what happened and were thankful the ground was so very wet from the storm or the whole area could have gone up in flames. Upon investigating the satellite dish and the pine tree they determined that the point of impact was a lightning strike at the top of the pine tree, which flowed down the tree where it found the best "ground" point – the satellite cable!

Luckily there was no major damage from this incident but it gives us more to consider after a lightning storm.

## Slow Cooker Moose Roast:

- Sirloin Tip Moose Roast (2-3 pound)
- 1 whole bulb garlic - coarsely chopped.
- 3/4 cup beef broth
- 3 tablespoons Dijon mustard
- 1/2 cup red wine
- 3/4 cup water
- 1 medium onion coarsely chopped
- Freshly ground pepper
- 2 slices bacon
- 6 drops liquid smoke
- 2 sticks celery (halved)

Directions: Combine all ingredients in your slow cooker. I set up the roast with the bacon on top so the fat will add flavor to the roast.

Cook your roast covered for about 8 hours on low or until you reach your required doneness.

When done, remove from slow-cooker, let stand for 5-10 minute before cutting. If you don't do this all the juice will run out of the meat. Strain the ingredients from the slow cooker, and make your gravy add some potato water as you see fit.

## TROUT LAKE TALES

Charlie Lumbis was awarded a fishing trophy at a social event on Cherriman Road...

The municipality has finished installing guardrails on a section of Cherriman Road next to a steep drop-off.

Moose season opens this weekend. The hunt has been limited this year with very few bull tags available. Hopefully this will help the population decline turn around.

Hydro One is replacing all of the underwater cables around the lake. They told us they have replaced a total of 8 km of cable in 30 sections. This project won't be completed until next year. You may have seen their huge barge on the lake.

# IN MEMORIAM

**Donald MAYER** - The family announces with great sorrow his passing in Sudbury, Wednesday, September 6, 2017 at the age of 85 years. Beloved husband of Diane (née Carrière) Mayer of Noëlville. Predeceased by his father Oscar and his mother Rose-Anna (née Rochon) Mayer. Loving father of Nicole McDonald (Peter) and Dr Carole Mayer (George Baldan) both of Sudbury. Predeceased by "bébé Mayer". Dear brother of Roland Mayer (Viny) of Noëlville, Thérèse Jérôme (Albert) of Sudbury, Lucille Bondy (late Donald) of Windsor and Yvonne Commons (Brian) of Brampton. Predeceased by his brothers and sisters Roger (late Lilianne), Ulysse (late Thérèse), Fernande (late Donald), Gérard (late June), Vivianne (late Hector), Sr. Jeannine (f.d.l.s.), Raymond, Richard (Colette) and Robert. Cherished grandfather of Andrew McDonald (Claudie) of Sudbury, Daniel Aubut of Toronto, Kayla McDonald (Brendan Mirka) of Ottawa and great-grandfather of Marguerite. Lovingly remembered by many nieces, nephews, relatives and friends. As a young man he worked for Jean's Home Hardware, he later acquired his businesses Silvr'y Moon Lodge and Mayer Bus Line; he was a driver education instructor for many years. Donald was a proud member of the Knights of Columbus, council 4435, Noëlville. A dedicated member of his community, he served on many committees including the Administration Board of the Cooperative Funeral Home. Donald was an avid outdoorsman and enjoyed his time spent with the Beaver Hunting Club in Noëlville. He also loved to sing and play the harmonica but was happiest when surrounded by his family.

**Jeannette Pettigrew**—In loving memory of Jeannette Pettigrew (nee Bruneau) who passed away at Finlandia Village in Sudbury on August 14th, 2017 at the age of 86 years. Beloved mother of Brian Pettigrew (wife Deborah) of Sudbury, James Pettigrew (wife Laurie) of Sudbury, Brenda Hicks (late husband Melvin) of Milton and Debbie Lanktree (husband Richard) of Toronto. Cherished grandmother of 13 grandchildren and "GG" to 13 great-grandchildren. Jeannette was born in Marcelin, Saskatchewan, on December 19th 1930, the 13th of 17 children born to parents Marie-Ida and Phillippe Bruneau. Jeannette came to Sudbury as a young child to live with her older sister Georgina. It was in Sudbury that she met her husband Jim Pettigrew. Jim and Jeannette spent many years as original pioneers of Trout Lake, building their camp in 1957. Jeannette enjoyed telling stories of the early days at Trout Lake. Without road access to their camp on the north shore, they would travel by boat from the Government Landing. She remembered transporting building supplies, food, a basket of new born kittens and a new born baby all by boat, sometimes in the rain and almost always accompanied by black flies or mosquitoes, so they could spend a weekend at the lake. Friday evening everything would be packed and waiting at the door so they could jump in the car and head to camp as soon as Jim got home from work at Garson mine. She is fondly remembered by her children as a hard-working, strong-minded woman and devoted mother. We still remember her getting up on those dark, cold Trout Lake nights to make sure her children were covered and warm in their beds. In later years, she enjoyed once again visiting Trout Lake at the camps of her son Jim, daughter Debbie and their families and taking pontoon boat rides, visiting with family and friends, or simply reading on the swing on the front deck and enjoying the view. She will be forever missed by her family.

## **Elise Landers Pettigrew (nee Gauthier)**

78 years (November 6, 1938 - August 22, 2017)

Beloved wife of James "Jim" Pettigrew and Rene Landers (both predeceased). Loving mother of Christy-Ann (Mike Charron), Lorraine Landers & Angela (Martin Brazeau) & proud grandmother of Jordan Brazeau. Extended family Brenda Hicks (late husband Mel), Brian & Debbie Pettigrew, Jim & Laurie Pettigrew, Debbie & Richard Lanktree. Cherished Nana of Serena, Angela, Kyla, Amber, Shawn, Brandon, Alias, Kevin, Caitlin, Dylan, Travis, Stacy & Amanda.

Smiling, laughing and with a listening ear, Elise would always say hello, talk to people and welcome them into her heart and home. Elise and Jim spent many good years at the home they built on Trout Lake. Good memories were created with family & friends which included boating, visits to the lodge, fishing and "serious" euchre card games (loser had to do the dishes).

Everyone was welcome for a drink, sauna & a chat during the summer hours. The winter was for ski-dooing on the lake & poker runs. Some winters were spent at their trailer in Florida.

Elise enjoyed being a member of the Royal Canadian Legion where she attended lunches, dances and card games. She was a fierce competitor in bowling and euchre tournaments. Elise enjoyed luncheons, mastering her Bunka embroidery and painting classes at the Parkside Community Centre.

**\*\*\*\*\*2018 Calendar Contest\*\*\*\*\***

Start thinking about taking photos to submit for next year's calendar. We need photos from all seasons, people, action, landscape, animals, etc. Please send high resolution photos to [dlanktree@hotmail.ca](mailto:dlanktree@hotmail.ca). Remember, landscape orientation photos are the best for our calendar format.
